BASIL BABU

Software Engineer

basilbabu1410@gmail.com | 07 67 39 36 97 | Paris, France | Linkedin | Portfolio

PROFESSIONAL SUMMARY

Full Stack Software Engineer with **3 years of professional experience** building and maintaining backend systems in **Python, PHP, PostgreSQL, and JavaScript.** Proven track record of delivering reliable, scalable enterprise solutions across **international projects**, resolving production incidents, and contributing to full development lifecycle in **Agile** environments. I recently Completed MSc in **Computer Science and Data Science** from ESILV Paris.

TECHNICAL SKILLS

- **Programming Languages :** PHP (Proficient), **Python (Working knowledge)**, Java, C
- **Database Management :** MySQL, SQL, **PostgreSQL**
- **Web Development :** HTML, CSS, **JavaScript**, jQuery, AJAX, REST APIs, **React (familiar)**
- **Frameworks & Tools :** Laravel, **Git**, GitHub, Bitbucket, **Jira**, Microsoft 365, Docker
- **System and Dev :** Version Control, Debugging, Unit Testing, **Agile (Scrum), Basic Distributed Systems**
- **Data and ML Basics :** Pandas, Scikit learn, Jupyter Notebook, EDA, ETL, Regression Modeling

PROFESSIONAL EXPERIENCE

Back End PHP Developer and Support Engineer

Maxwell Geosystems India Pvt Ltd, Kochi, Kerala, India ***Dec 2021 – Sep 2024***

- Designed and maintained backend modules for **Mission OS (large scale enterprise platform)** applying **OOP principles, RESTful API** and **MySQL** design to serve global infrastructure monitoring projects
- Improved system performance by optimizing inefficient SQL queries, achieving a **30%** improvement in **data retrieval** speed across the platform.
- Investigated and resolved production incidents through **root cause analysis**, ensuring consistent system availability for international clients.
- Wrote and maintained **unit tests** across production release cycles, participated in **code reviews**, and contributed to **QA processes** ensuring system reliability for international clients
- Supported frontend functionality using HTML, CSS, **JavaScript, AJAX, and jQuery** to deliver **user friendly interfaces** projects.
- Contributed to software delivery across 3 major **international projects** - KVMRT2 (Malaysia), DTSS2 (Singapore), and Thames Tideway (UK).

EDUCATION

- **MSc Computer Science and Data Science (Master 2)** ESILV Engineering School, Paris, France ***Oct 2024 – Feb 2026***
- **Master of Computer Applications (MCA)** Union Christian College, Aluva, Kerala, India ***Oct 2019 – Feb 2022***

LANGUAGE

- **English -** Professional Working Proficiency **French -** Elementary (Actively Developing)

SOFT SKILLS

- Analytical Thinking, Problem Solving, Team Collaboration, Rigorous and Independent, Proactive
